

Let's Get America Back to Work
Hand Sanitizer Supply & Dispenser Solutions

The Pre COVID19 Supply Chain of Hand Sanitizer is severely disrupted.

- We have a reliable, safe and cost-effective solution.
 - Sanitizer made in the USA
 - Dispensing cabinets Made in the USA
 - Available in gray or dark wood finish
 - No expensive labor-intensive cartridge replacement
 - No back-orders
 - The dispenser cabinet holds 2 gallons of sanitizer
 - The cost per oz of this system is much less than buying cartridges
 - Less waste
